**Postage and handling for Australian customers**

We are committed to providing prompt, friendly service to our customers. We will acknowledge receipt of your order and let you know the shipping charge. We will usually send your order via standard Australia Post—the cost is based on postcode and weight, plus 'signature on delivery' tracking. Any extras included in your package may alter the overall weight.

We also offer the option to use Fastway Couriers. This option is dependent on your address being in a Fastway delivery zone. We are happy to do a price comparison. Call us for details—02-6651-9513 or email [sales@gifkins.com.au](mailto:sales@gifkins.com.au).

**Freight and handling for international customers**

We are committed to providing prompt, friendly service to our overseas customers. We will acknowledge receipt of your order and let you know the shipping charge. We use Australia Post Standard International shipping with tracking. Cost is based on weight and destination zone. Any extras included in your package may alter the overall weight. At your request insurance can be provided at the rate set by Australia Post.

Once we post your package we have no control over its progress. Customs, in particular, may cause a delay when your package lands in-country.

Your package may also be subject to import duties, VAT etc. Any charges that may apply are beyond the control of Gifkins Dovetail. Please check with your local authority.

If you have any questions about freight—please email us at [sales@gifkins.com.au](mailto:sales@gifkins.com.au).
